Garrison believes Marcello <sup>is</sup> in some way tied up with Jack Ruby. "Novel stated that he is not certain what evidence D.A. From NO

Review of Article on Garrison assassination probe by William W. Turner which appeared in January 1968, Ramparts magazine.

p.2 The article reports that one of the many Dallas police officers who frequented the Carousel Club has told Garrison that in mid-1962 Ruby left on a two-week trip, saying he was going to New Orleans and then to Cuba "to pick up an act for the club." When Ruby returned he was uncharacteristically tight-lipped about his trip and was without an act.

The files of NO office show that Carlos Bringuier advised on 2-5-64 that the DE in Miami had info that Ruby visited Cuba ~~at that time~~ in late 1962 and early 1963, and that Ruby traveled

JADA

to Cuba at that time through Mexico.

"New Orleans files are incomplete concerning investigation conducted with regard to this allegation.

The files of the New Orleans Office do not contain any additional information reflecting that Ruby made a trip to Cuba in mid-1962."

The files reflect that in June 1963 Ruby was in N.O. endeavoring to obtain the services of JADA who was then working at the Show Bar on Bourbon Street. Ruby indicated that in addition to being interested in hiring JADA, he was interested in any of the show girls who might want to go to work for him at the Carousel in Dallas. During one contact Ruby presented one of his business cards for the Carousel, which listed the address of the Carousel as corner of Field & Commerce, with the telephone number RI 7-2362. On the reverse side of this card Ruby wrote his name in ink and furnished his home phone number in Dallas."
